

Sefydliad Rheolaeth Cefn Gwlad a Chadwraeth Cymru
Welsh Institute of Countryside and Conservation Management

Wildlife Crime Course

Wednesday 20th July 2011, 10am-4pm Llyn Llech Owain Country

Park near Crosshands.

Introductions and course aims and objectives

Legislation

This session will look at the protection afforded to the flora and fauna and will include an overview of the legislation which protects it. It will also include some case studies.

The Investigation Process

This session will give an overview of the investigation process from start to finish. It will include an examination of how students may be involved in an investigation process. There will be an overview of what constitutes evidence, the rules of Evidence Gathering, continuity and the production of evidence. The session will conclude with a look at pitfalls and common problems which may be encountered

Lunch- Please bring a packed lunch, or there is a café available on site.

Practical scenarios

Will examine mock Wildlife crime scenes in order to look for evidence and identify possible offences

Scenario discussions and debrief.
